

(16)
levels dropdown button looks lost. needs to be adjusted in line with deisnged version and perhaps colour inversed or something to make it pop

(17)
Level icon as below in (15) however the user icon sandra designed would look good for tenants

as per shedule page

(26) - refer to lukes document 28/03/14 - function clarification 27-3-14
add meters
set targets for meters here
if meter show current reading
manual activation (for commisioning purposes)

as per notes from last feedback

>>>remove DCU from this location manager view.
>>>please add a dcu network status with icon green or red
>>>plus add a status coulour as per perevious design for status on each device... green active grey off red fault
>>> add filtering for this page as per tags etc

as discussed this is now to be a report generator

either generate a building report or a resource runtime report

for users - certain field will be auto filled... i.e. tenancy

	Tenant	Dates
	Acme Inc	01/01/2014 - 30/01/2014
	Random Co.	01/01/2014 - 30/01/2014
	Acme Inc	01/02/2014 - 28/02/2014
	Random Co.	01/02/2014 - 27/02/2014
	Acme Inc	01/03/2014 - 31/03/2014
	Random Co.	01/03/2014 - 30/03/2014
